

Our Inventory

- Automation Equipment
- Circumferential Welders
- Cutting Machines
- Metco Equipment
- Orbital Welders
- Pipe Chucks - Quickset
- Resistance Welders
- Tank Turning Rolls
- Uni-Balance Positioner
- Used Welders
- Welding Automated Systems
- Welding Automation Accessories
- Welding Fabrication Tools
- Welding Headstocks Tailstocks
- Welding Lathes
- Welding Manipulators
- Welding Misc. Equipment
- Welding Planishers
- Welding Positioners
- Robotic Positioners
- Welding Seamers
- Welding Side Beam Welders
- Welding Test Measuring Gages
- Welding Turntables

Featured Machines

on back Cover

Weld Plus has been helping companies solve welding problems since 1991. We customize in welding integration of complete welding positioning systems for customers all over North America as well as Internationally.

Weld Plus sells, buys, rents and services all brands of new and refurbished welding equipment. Located 7 miles from the Cincinnati Airport on the banks of the Ohio River, our warehouse holds one of the largest inventories of new and reconditioned welding and positioning machinery.

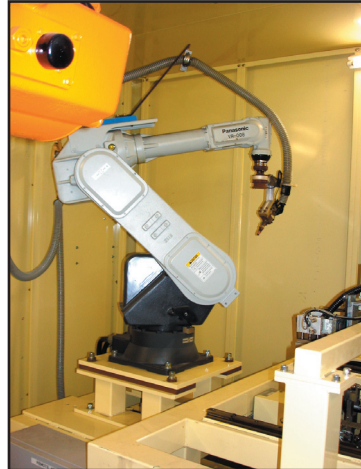

Visit our Showroom which is stocked with new Jetline Seamers, Pandjiris Positioners and Koike Aronson Turning Rolls...to name a few. We also have in stock new and used machinery from Ransome, Cyclomatic, Airline, ESAB, Gullco, Bug-O, Weldlogic, Worthington, Preston Eastin, Miller Electric, Lincoln, Hobart, Linde, Pow Con, Airco, Cobramatic, Kempfi, Panasonic, Motoman, Thermal Dynamics and Thermal Arc.

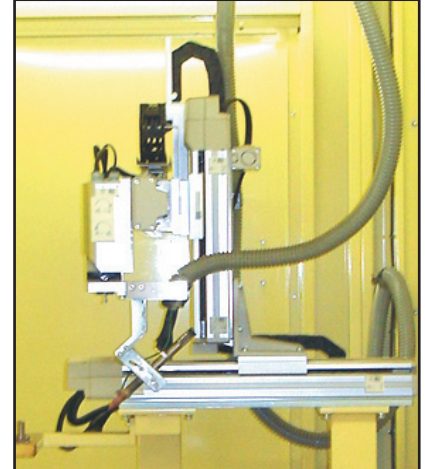

Featured Machines

"2003" Motoman Model UP-50
6 Axis Machine Tending or
Handling Robot

"2003" Panasonic 6 Axis
Model VR-008 GII
Robotic Welding Cell

"2003" Panasonic 3 Axis
Model ISP Cartesian
Robotic Tig Welding Cell

Koike Aronson
GE-25A 2,500 lb.
"Geared Elevation Positioner"

WEBB
T-18/I-18 12,000 lb.
Turning Rolls

1-800-288-9414
